

NC Early Intervention Mentor Program

A professional development program linking service providers in early intervention

- Are you new to your job in early intervention?
- Are you interested in providing early intervention services?
- Would you like to ask questions, observe practice, and exchange resources with a colleague?
- Would you like to work with someone with more experience in your field?

For early interventionists, early childhood special education professionals, therapists & anyone interested in providing services to young children with special needs and their families
